

Downsizing can be so uplifting

“Cleaning out my mother’s estate was overwhelming and I didn’t know where to start the daunting task. Once I heard about Downsize with a Heart, and used the service, I was so relieved that I didn’t have to do it all myself. They are a lifesaver and I was able to give back to the community by using the service.

At Downsize with a Heart, we create personalized downsizing and moving plans that celebrate your memories.

We start with a free, in-home consultation with our Certified Relocation and Transition Specialists to help you decide which of our services are right for you.

And because all the proceeds from Downsize with a Heart are invested back into the mission of the Furniture Bank of Central Ohio, you’re also helping families in need.

Call 614-545-3844, or visit www.DownsizeWithAHeart.org to schedule your consultation.
