

Choosing the right house is hard. Moving shouldn't be.

“

The manager came out to make sure it all went well! The team was very helpful and made me feel comfortable about my move. I loved having my moving expenses contribute to the Furniture Bank and they even removed a few pieces from my home to donate to those in need.

Wonderful service.

-- Julie T of Hilliard, Ohio

You've helped your client find the perfect house in the perfect neighborhood at the perfect price. Now help them find the perfect moving company. With services ranging from sorting, packing, and moving, to clean out and donation of unwanted furniture, we'll help them get into their new home.

And because all proceeds are invested into the core mission of the Furniture Bank of Central Ohio, their big move helps make an empty house a home for a Central Ohio family.
